

ACTatek™ - FINGERPRINT & SMART CARD MOBILE BATTERY KIT

Mobile Battery

ACTatek mobile battery features a portable long-lasting and rechargeable power source design, to ensure ACTatek can be operated anytime and everywhere. This allows mobile biometric ID management for security forces and at remote locations where conventional power is not available.

Mobile Kit

The ACTatek Mobile Kit is the size of a lunchbox that holds an ACTatek and the Mobile Battery. The IP67 certified ACTatek Mobile Kit protects the ACTatek unit and the Mobile Battery from any high impact collision..

FEATURES & BENEFITS

- Remote time recording without any restrictions
- Easy to carry
- Long lasting mobile battery life
- Water proof, dust proof, and shock proof
